Office of Congressional Affairs

SUBJECT:

Request for Comments: Draft Justice and  
State Views Letters on H.R. 3321 -  
Immigration/Naturalization Codification  
Legislation

1. Attached for your review and comment please find copies of the views letters of the Departments of State and Justice on H.R. 3321, a bill to codify and enact into permanent law the provisions of Title 8 concerning immigration and naturalization. The Office of Management and Budget (OMB) has asked this Office for the Agency's comments on the letters by Friday, February 21, 1986. We would therefore appreciate your comments by noon on Thursday, February 20th.

2. You will recall having seen for comment a views letter from the Agency on H.R. 3321 which was prepared by this office. That letter stated the Agency's objection to the bill insofar as it attempted to transfer the authorities currently contained in Section 7 of the Central Intelligence Agency Act of 1949 and informally codified in Title 50 to the newly codified Title 8. All comments on the letter were taken into account, it was cleared by OMB and has been transmitted to the Congress.

3. The Agency would not seem to have an objection to either the State letter or the Justice letter. Indeed, the Agency would seem to strongly support the latter insofar as on

page 7 in its discussion of Section 1314 of H.R. 3321, it supports the Agency's above-noted objection. We would, however, appreciate receiving your comments.
